Dedication . . . iii
Preface . . . v
Acknowledgments . . . vii
How to Use this Book . . . ix
Some Background Information . . . ix
Book Conventions . . . x
Download Sample Files from Companion Website . . . x
Quick Summary of Book Chapters . . . xi
Appendices . . . xiv
1. Introduction . . . 1
1.1. A New Way to Create Documents . . . 1
1.2. Moving Beyond Word Processing Software . . . 2
1.3. What is AsciiDoc ? . . . 3
1.4. How does AsciiDoc Document Creation Work ? . . . 5
1.5. How to Get Started . . . 6
1.6. Editing Documents in VS Code . . . 8
1.7. Chapter Summary . . . 9
1.8. Try it Yourself Exercises . . . 10
2. Installing the AsciiDoctor Toolchain . . . 13
2.1. Installing AsciiDoctor on Windows 11 . . . 13
2.2. Installing AsciiDoctor on Linux . . . 16
2.3. Installation on MacOS . . . 19
2.4. AsciiDoctor Podman/ Docker Container Install On Linux . . . 21
2.5. AsciiDoctor Podman / Docker Container Install On Windows 11 . . . 28
2.6. AsciiDoctor Podman / Docker Container Install On MacOS . . . 28
2.7. Chapter Summary . . . 29
3. The Visual Studio Code Workflow: Live Preview AsciiDoc Documents . . . 31
3.1. What is VS Code ? . . . 31
3.2. VS Code and AsciiDoc Document Creation . . . 31
3.3. Installing VS Code . . . 33
3.4. A Quick Guide to Creating AsciiDoc Documents in VS Code . . . 35
3.5. Generating HTML and PDF Output . . . 39
3.6. Switching Off VS Code 'Quick Suggestions' . . . 40
3.7. Live Preview Style in VS Code . . . 42

3.8. VS Code Install and Setup on 32 bit MX-Linux Libretto. . . . 43
3.9. Installing the Bookmark Extension . . . 47
3.10. Activating GitHub Copilot in VS Code . . . 48
3.11. VS Code is Primarily a Code Editor. . . . 50
3.12. Chapter Summary. . . . 50
4. Essential AsciiDoc Markup Syntax . . . 51
4.1. The AsciiDoc Document. . . . 51
4.2. Basic Text Formatting Markup . . . 52
4.3. Table of Contents. . . . 64
4.4. Section Numbers . . . 65
4.5. Links. . . . 66
4.6. Quotes . . . 69
4.7. Admonitions. . . . 70
4.8. Images . . . 71
4.9. Chapter Summary. . . . 81
4.10. Try it Yourself . . . 82
5. Substitutions and Footnotes. . . . 83
5.1. Substitutions . . . 83
5.2. System Defined Attributes . . . 87
5.3. Footnotes. . . . 88
5.4. Inserting Footnotes Using Substitution . . . 91
5.5. Chapter Summary. . . . 92
5.6. Try it Yourself . . . 92
6. Inserting Audio and Video in HTML Output . . . 93
6.1. Inserting Audio and Video in HTML Output . . . 93
6.2. Inserting Videos . . . 96
6.3. Controlling the Video Display with More Attributes . . . 103
6.4. Audio and Video Inserts in PDF and EPUB Files . . . 103
6.5. Chapter Summary. . . . 105
6.6. Try it Yourself . . . 105
7. Creating and Using Delimited Blocks . . . 107
7.1. About Delimited Blocks . . . 107
7.2. Comment Block . . . 108
7.3. A Listing Block. . . . 110
7.4. A Verse Block . . . 113
7.5. Literal Block . . . 115
7.6. Example Block . . . 116

7.7. Sidebar Block . . . 118
7.8. Passthrough Block . . . 121
7.9. Source or Code Blocks . . . 123
7.10. Chapter Summary . . . 124
7.11. Try it Yourself . . . 124
8. Conditional Processing . . . 125
8.1. Why Conditional Processing ? . . . 125
8.2. Conditional Directives in AsciiDoc . . . 125
8.3. Testing for System Defined Attributes . . . 138
8.4. Important Considerations while Writing Conditionals . . . 138
8.5. Chapter Summary. . . . 139
8.6. Try it Yourself . . . 139
9. Using Icons in Your Document . . . 141
9.1. Working with Icons . . . 141
9.2. Altering the Size of Icons . . . 142
9.3. Altering the Color of Icons (only for HTML Output) . . . 143
9.4. Using Icons as Bullets in a List. . . . 143
9.5. Flipping and Rotating Icons (HTML Only) . . . 144
9.6. Icons from Other Libraries (Only for PDF Output). . . . 144
9.7. FI Icon Names . . . 147
9.8. Using your own Image Icons . . . 148
9.9. Missing Icons ! . . . 153
9.10. Chapter Summary . . . 155
9.11. Try it Yourself . . . 155
10. Syntax Highlighting for Code . . . 157
10.1. A Touch of Class!. . . . 157
10.2. The Syntax Highlighting Sequence. . . . 158
10.3. Installing Syntax Highlighters . . . 158
10.4. Adding the Syntax Highlighter Attribute . . . 161
10.5. Adding Code Blocks in Running Text . . . 161
10.6. Rendering the AsciiDoc File with Highlighted Code . . . 162
10.7. Adding line numbers to code blocks . . . 163
10.8. Code Highlighting in EPUB3. . . . 165
10.9. Chapter Summary . . . 167
10.10. Try it Yourself . . . 168
11. Tables . . . 169
11.1. Basic Table Syntax . . . 169

11.2. Controlling the Table Width and Column Widths . . . 173
11.3. Justifying Table Cell Contents . . . 173
11.4. CSV Format for Tables and Some Other Handy Tricks . . . 174
11.5. Importing a Excel CSV File . . . 176
11.6. Chapter Summary . . . 177
11.7. Try it Yourself . . . 177
12. Inserting Citations and Creating Styled Bibliography . . . 179
12.1. A Little Background . . . 179
12.2. Installs . . . 180
12.3. Creating a BibTeX File in Zotero . . . 182
12.4. Adding Attributes . . . 183
12.5. Inserting Keys in a BibTeX File . . . 185
12.6. Adding Citations . . . 186
12.7. Rendering Bibliography and Citations to HTML . . . 187
12.8. Some Important cite:<key> Markup Variations . . . 189
12.9. Rendering to PDF . . . 189
12.10. Single Bibliography from Multiple AsciiDoc Documents . . . 191
12.11. Chapter Summary . . . 192
12.12. Try it Yourself . . . 193
13. Creating a Book Index . . . 195
13.1. Some Starting Notes . . . 195
13.2. Creating an Index . . . 196
13.3. Hyperlinked Index . . . 206
13.4. Creating a Composite Index Across Multiple AsciiDoc Files . . . 207
13.5. Some Common Sources of Errors While Creating a Book Index . . . 209
13.6. Chapter Summary . . . 212
13.7. Try Out Yourself . . . 213
14. Math Equations . . . 215
14.1. Writing Math Equations . . . 215
14.2. Creating HTML Output for Equations using AsciiDoctor . . . 217
14.3. Creating PDF Output for Equations using AsciiDoctor-PDF . . . 221
14.4. Using Asciidoctor-Mathematical . . . 222
14.5. The Workaround to Equation Numbering in PDF Output Using AsciiDoc Markup . . . 223
14.6. Chapter Summary . . . 228
14.7. Try It Yourself . . . 229
15. Overriding the Default AsciiDoctor-PDF Theme for Some Useful Styling Tweaks . . . 231
15.1. Extending or Overriding the Default AsciiDoctor-PDF Theme . . . 231

15.2. Centering Figures and Captions 232
15.3. Adding a Rounded Border around Figures or Images 234
15.4. Changing Default Base Fonts in Rendered PDF Documents 235
15.5. Changing Background of Blocks 240
15.6. Changing the Color of Headings in PDFs 241
15.7. Extending Default PDF Theme for Print Documents 241
15.8. Chapter Summary 241
15.9. Try it Yourself 242
16. Multi-Page HTML Output 243
16.1. Why Multi-Page ? 243
16.2. Chunking the HTML Output from AsciiDoctor 243
16.3. Installing the AsciiDoctor-Multipage Extension 246
16.4. Using the AsciiDoctor Multipage Extension 246
16.5. A Worked Example Showing Chunking 247
16.6. Chapter Summary 252
16.7. Try it Yourself 252
17. Creating a Single Document from Multiple AsciiDoc Files 255
17.1. Bringing it all Together 255
17.2. Organizing Your Folder Structure 261
17.3. Moving and Reorganizing Content is Super Easy 264
17.4. Including External Source Code Files 265
17.5. Extracting and Including line Ranges 266
17.6. Conditional Includes 267
17.7. Positioning the Table of Contents 270
17.8. Uploading Your HTML Document on a Website 271
17.9. Chapter Summary 274
17.10. Try it Yourself 274
18. Generating EPUB 3 Files 277
18.1. Why EPUB ? 277
18.2. Installing AsciiDoctor-EPUB3 278
18.3. Verifying the Install 279
18.4. Creating an EPUB Using AsciiDoctor-EPUB3 279
18.5. Piecing up an EPUB from Individual Chapters 280
18.6. Compiling EPUBs from More Detailed Folder Structures 284
18.7. Editing EPUB Files 284
18.8. Structure of an EPUB File 284
18.9. Chapter Summary 285

18.10. Try it Yourself . . . 285
19. Converting AsciiDoc Files to MS Word and MS Word files to AsciiDoc . . . 287
19.1. Converting an AsciiDoc file to MS Word . . . 287
19.2. Converting in a Normal AsciiDoctor Install (Non-Docker) . . . 287
19.3. AsciiDoc to MS Word Conversion . . . 288
19.4. Converting from a Docker Container on Linux . . . 289
19.5. AsciiDoc to MS Word or MS Word to AsciiDoc Using Pandoc Docker Image . . . 290
19.6. Dealing with Possible Pandoc Generated Errors . . . 292
19.7. Converting Word Documents to AsciiDoc . . . 293
19.8. Evaluating Conversion Accuracy from MS Word to AsciiDoc . . . 296
19.9. Pandoc on Linux on 32 Bit Machines . . . 297
19.10. Chapter Summary . . . 298
19.11. Try it Yourself . . . 298
20. Book Writing in AsciiDoc . . . 301
20.1. Citing Figures, Tables , Examples and Sections . . . 301
20.2. Setting up a Page Size for your Print Copy . . . 305
20.3. Setting up Margins for Printed Books . . . 306
20.4. Headers and Footers . . . 308
20.5. Screen, Print and Prepress Modes . . . 311
20.6. Asciidoc PDF Theme for Darker Font Color for Printing . . . 315
20.7. Page Numbering for Front Matter and Body Text . . . 316
20.8. Prefixing Level 1 Headings With 'Chapter' . . . 316
20.9. Adding Front Cover and Back Cover Images . . . 317
20.10. Changing the Color of Headings for Full Color Printing or On-Screen Reading . . . 318
20.11. Including Front Matter in the Book . . . 320
20.12. Creating an Appendix . . . 321
20.13. Creating a Glossary of Key terms . . . 323
20.14. Book Parts . . . 323
20.15. How to Include PDFs in Your AsciiDoc Documents . . . 325
20.16. Helpful Tips for Creating and Editing Book Content . . . 326
20.17. Chapter Summary . . . 328
20.18. Try it Yourself . . . 329
Epilogue . . . 331
Appendix A: Explanation of Commands Used in Command Line Install of AsciiDoctor . . . 333
A.1. Installing Ruby . . . 333
A.2. Installing AsciiDoctor . . . 334
Appendix B: Create a Shell Script to Start AsciiDoctor Docker Container . . . 337

Appendix C: Installing Podman and AsciiDoctor Docker Image on Windows. 341
C.1. Installing Podman CLI 341
C.2. Installing and Running the Podman Desktop 345
C.3. Pulling Docker Images Using Podman Desktop. 349
C.4. Starting and Stopping the Podman Machine 351
C.5. Troubleshooting Podman Desktop 352
Appendix D: Some Useful Podman Commands. 353
Appendix E: The VS Code Cheatsheet and Some Helpful Hacks 357
E.1. Some Useful VS Code Keyboard (and Mouse) Shortcuts 357
E.2. Spell Checking the Entire Document 358
E.3. Dealing with Heading Level Mismatch Errors 359
E.4. The Bookmark Extension Panel 359
Appendix F: AsciiDoctor Online Resources 361
F.1. AsciiDoc Language Home 361
F.2. AsciiDoctor Writers Guide 361
F.3. Important AsciiDoctor Documentation Pages 361
F.4. Cheat Sheets 362
F.5. Forums 362
F.6. On GitHub. 363
Glossary of Key Terms 365
Index 371
